37 years in FILM &
VIDEO PRODUCTION

Introducing

KEVIN B.DIBACCO

FILM PRODUCER/DIRECTOR/AUTHOR/CONSULTANT

About Kevin

Kevin DiBacco is an Independent, worldwide, distributed director/filmmaker that has worked **'hands on'** in the film and video production business for over thirty years. He has specialized in creating complex, creative, Non-Hollywood feature films.

Kevin started in the film and video production business in the late 70's and has progressed with the development of new equipment from motion picture film to the HD digital equipment we use today. He has directed **music videos** for major record labels, professional recording artists, broadcasters, as well as many others around the world including **ABC, The Discovery Channel, The History Channel, The Bio Channel, A&E Network, MTV, NBC and ABC.**

Kevin has directed and produced over **500** broadcast television commercials, **20** music videos and documentaries as well as **6** worldwide released feature films that are sold in over **180 countries.** He can add to his resume professional author,

About Kevin

After selling his first manuscript, 'The Real World Guide to Digital Filmmaking.' published by Keith Publishing Inc. Kevin has become an author as well.

Kevin has **four motion pictures in worldwide release**, each motion picture produced, directed and edited by Kevin himself. Kevin has also **sold another 8** feature films as a **Film Distribution Sales Consultant**.

In total, Kevin has now **sold 12 feature films** to Worldwide Distribution Contracts. After **37 years in film and video production** Kevin is using his experiences to help all Indy Filmmakers learn the **Business of Independent Filmmaking**.
